*By Delonya Conyers {Hotchklate}**Going All Out 2 catches readers of the first installment up with Pharaoh who's currently incarcerated and facing football numbers due to the loose lips of those he did business with. Some of the people set to testify against him are fellow inmates lying about their interactions in an attempt to lessen their own sentences but what's shocking is the one person who's name is listed as the prosecution's star witness, Tez. Once Pharaoh finds out that his crime partner has turned snitch he knows there's only one way he can avoid serving the rest of his life in prison, by going all out!Pharaoh creates a snitch list and puts the one person he can still trust, Ralph on the job of eliminating the persons on it. Ralph is the leader of a young crew of hungry killers that are as loyal to him as he is to Pharaoh. But how will they match up with Tez who's transformed into even more of a beast in the Detroit streets? Author Dorian Sykes follow up is full of action and isn't hampered by the issues that stifled book one. By focusing on the murder and mayehm Author Sykes actually infuses the storyline and not only elevates the Going All Out series but also displays growth as an author.*

*By Tanielle**I can changes teams as much as I want. Really Tez? I can't believe he went out the way he did after all he's done. Pharaoh seems like he's getting his head on straight. Can't wait for the next one.*

Pharaoh decides that his fate would not be settled in court by twelve jurors. His fate would be decided in blood, as he sets out to kill Tez, and those who snitched on him. Pharaoh's definition of Going All Out is either death or freedom. Prison is not an option. Will Pharaoh impose his will on those who snitched on him?
